PLAYING HIDE & SEEK

ANN BRADY

WOODLAND
ADVENTURES

Dora Dormouse was scurrying along through the wood
when she came across Alex Ant standing
next to a mound of earth with his eyes closed.

"Hello, Alex," said Dora. "What are you doing?"

Opening his eyes Alex looked at Dora and said,
"We are playing hide and seek and it's my turn to find
the other ants. They are hiding in the wood, but I
have a problem. Do you think you could help me?"
